JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

A HISTORY OF ENGLISH UTILITARIANISM

By ERNEST ALBEE, Ph.D.,

Instructor in the Sage School of Philosophy, Cornell University.

Cloth, 16+427 pp. 8vo, $2.75 net. Postage 15c.

"No more careful or judicial treatment of the subject, from first to last, could possibly be desired. . . . It is, indeed, the union of these two, so frequently separated, characteristics—painstaking attention to detail and comprehensive grasp of the general principles—that entitles the work to be placed in the first rank as a study in the history of philosophy. Nor is its interest merely historical or antiquarian; the logic of the historical development is so clearly and so convincingly unfolded that the reader is inevitably, and as it were unconsciously, instructed in the true solution of the ethical problem."—JAMES SETH in the *The Philosophical Review.*

"This sound and scholarly work supplies a real want. . . . Dr. Albee has chosen as his subject the history of that ethical theory which has often, especially by foreign critics, and on the whole not unfairly, been regarded as constituting, at least unti recent years, the most important contribution made by England to ethical speculation."
—*The Athenæum*, London.

"This is a highly important piece of work, dealing at length with a subject hitherto treated in outlines, the best of which, Professor Sidgwick's, is far from being an adequate history of the peculiarly English contribution to ethical theory.—*The Outlook.*

A HISTORY OF THE PROBLEMS OF PHILOSOPHY

By PAUL JANET and GABRIEL SÉAILLES

Translated by ADA MONAHAN, *Edited by* HENRY JONES, LL.D., *University of Glasgow.*
